

Exhibitor Badges *(limit based on sq. ft. of exhibit space)*

You will be sent a unique link in a separate email to order your show badges. **Please do not share your link with anyone.**

If you do not receive your link by Wednesday, November 1st please confirm;

1. You were assigned a space number.
2. You have made a payment towards your assigned space.

If you have both pieces of information please contact us at miamicredentials@nmma.org for your link. Badges will be mailed **only** when your contracted space balance is paid in full. If you request to have your badges held for pick-up on show site, please make sure your balance is paid in full to avoid delays during on-site.

The maximum number of badges issued is determined by the total amount of square feet of exhibit space your company has under contract. Additional /Replacement badges are at a cost of \$25.00.

The deadline to order your badges on-line to be mailed is Monday, January 28, 2019.

Badges ordered after the deadline date will have to be picked up on show site.

New Show Badge Design: Our team has been working hard on a show badge redesign! Our design team has given them a fresh, modern look. Badges are part of our Boat Show's everyday life and the first interaction with our customers. They will now include show specific information for you – the exhibitor.

What's new –

1. Size of badge 4x6
2. Lanyards – to replace badge holders
3. Show specific exhibitor information included on back

To enhance show security, anyone using an exhibitor badge to access the show site will be required to present government-issued identification (ID) along with their badges. Checking IDs of persons entering the show with an exhibitor badge will ensure that only authorized personnel have access to the show outside of show hours and will protect our exhibitor's products. We appreciate your cooperation with this security protocol.

Getting to the show: Badges are required for water taxi service and entry to the show grounds during all move-in, show and move-out days. On-site badge orders are available at the main entrance located at the Miami Marine Stadium. If you do not have a badge in advance, access to on-site registration is available via shuttle bus only. We do not require a badge to utilize the shuttle buses on show days from the mainland park & ride or the exhibitor parking in Lot A.
