### OFFICIAL SERVICE CONTRACTORS

The National Marine Manufacturers Association (NMMA), acting on behalf of all exhibitors has appointed official service contractors to perform and provide necessary services and equipment.

### EXHIBITOR APPOINTED CONTRACTORS/THIRD PARTY REGISTRATION

An exhibitor appointed contractor (EAC) is any company other than the designated “official” contractors who provide a service (display/installation and tear-down, boat cleaners, models, florists, photographers, audio/visual, etc.), and needs access to your exhibit anytime during the installation, show dates and dismantling. If you wish to appoint your own contractor, you must complete and return the EAC form with the contractor’s insurance certificate by the due date.

### EXCLUSIVE CONTRACTORS

For insurance, safety, security and City of Miami ordinance requirements, the contractor designated by NMMA show management must be used for services such as catering, drayage, electrical, plumbing, rigging, telecommunications, tents, floral, booth cleaning/trash removal and security - NO exceptions will be made.
