

## OUTBOUND FREIGHT PROCEDURE

**TO ASSIST YOU WITH ARRANGEMENTS FOR OUTBOUND SHIPMENTS, WE WILL HAVE A SERVICE DESK TO PROVIDE YOU WITH LABELS, BILLS OF LADING AND SHIPPING INFORMATION**

**ALL CARRIERS ARE REQUIRED TO CHECK IN AT STAGING LOCATED AT 1450 N Bayshore Drive, Miami, FL 33312**

**Aeronet Worldwide is the appointed show carrier and outbound arrangements have already been made with them.** If it is your preference to use a carrier other than Aeronet Worldwide, it is your responsibility to make the necessary pick up arrangements from show site and a bill of lading must be turned in at the service desk for all types of shipments. Carriers should arrive prepared with the exhibiting company name, number of pieces, and destination for any shipment they are picking up. *No freight will be loaded onto any carrier without this information!* Materials sold locally and awaiting customer pick up should be dealt with in the same manner as all other outbound shipments. In the event your designated carrier does not make the pick up at the allocated time, Informa Markets US Boat Shows reserves the right to force any shipment onto Aeronet Worldwide trailers in order to vacate the show grounds.

Should you use Federal Express, UPS Ground, UPS Air, Airborne, or any other air freight forwarder, it will be necessary for you to provide the appropriate shipping document with your account clearly visible and affix the necessary document to each item being shipped. When contacting the carrier for pick up arrangements either at show site or at our warehouse, you must inform the service desk personnel of the scheduled arrangements along with the confirmation numbers and complete a bill of lading for our reference.

Any shipment not picked up at show site or where no disposition is made will be returned to the warehouse and will incur a return fee along with applicable storage charges. These charges are in addition to the material handling rates. All charges for services performed must be settled before any shipment will be released to any carrier.

**To be completed for reference only. A bill of lading must be submitted by exhibitor at show site.**
